The TAG will meet one to two times per month beginning in February/March 2016. The goal is to establish rules/codes that meet criteria established in RCW 19.27, as well as the needs of the code enforcement community and cannabis industry.

To express interest in being appointed to this group, please send a cover letter, a current resume, and a letter of reference from an organization that supports your appointment, no later than January 31, 2016. Consideration will only be given to applicants who meet these criteria. Appointments will be made in early February, with the first meeting to be scheduled by the end of the month.
